### RE: **EMERGENCY RULE EXTENSION**

Dear Senator Robson and Representative Grothman:

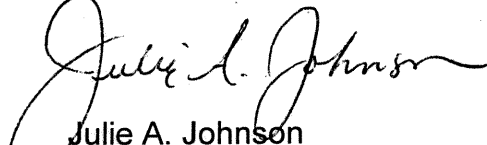

I am writing to request an extension for the Wisconsin Department of Transportation's emergency administrative rule ch. Trans 4, relating to requiring the use of a fully allocated cost methodology when evaluating bids solicited for transit service in a competitive process, pursuant to § 227.24(2)(am), Stats. The initial emergency rule was mandated by 1999 Wis. Act 9, and pursuant to that Act in s. 9150(2bm)(b), the Department was exempt from the finding of emergency requirement. The emergency rule expiration date is July 1, 2000.

Status of Permanent Rule. Based on testimony provided at the public hearing, the Department agreed to extend the written comment period another 30 days to address additional concerns expressed by persons attending the hearing, thereby necessitating this request for a sixty (60) day emergency rule extension. The Final Draft of the permanent rule is anticipated to be submitted for legislative committee review by June 5, 2000.

The extension of the emergency rule is necessary due to the lapse between its expiration date and the effective date of the permanent rule. Because of the unforeseen delay in submitting the rule for legislative committee review, it is also anticipated a second emergency rule extension request may be necessary. I am enclosing a copy of the emergency rule.

Please consider this request at your June meeting. A Department representative will attend the meeting. **Please contact me at 267-3703 to confirm your schedule.** I have also taken the liberty of sending courtesy copies of this request to both the Assembly and Senate Transportation Committees. Thank you for your cooperation.

Sincerely,

Julie A. Johnson

The analysis must include all of the publicly owned system's costs, including operating subsidies and capital grants. This analysis shall be the basis for evaluating costs when ranking proposals.

Pursuant to 1999 Wis. Act 9, section 9150(2bm)(b), the Department is not required to provide evidence that the rule is necessary for the preservation of the public peace, health, safety or welfare, and is not required to provide a finding of emergency.
